CAN YOUR PRESENTATION QUALIFY FOR SOCIAL WORK CREDITS?

CMSA would like to offer Nursing (RN), Certified Case Manager (CCM) *and* Social Work CE credits whenever we can.

Social work has some additional requirements that must be met. If you feel your presentation does meet the social work requirements, please be sure to reflect this in at least one learning objective. To determine if your session would meet the requirements for social work hours, here are some questions about your topic to consider:

- Does your program address mental health issues; human behavior in the social environment?
- Does your program address interventions and coping with disabilities, clients integrity?
- Does your session deal with the patients in his/her environment?

My presentation does meet Social Work credit requirements: YES NO
